Waterborne Adhesives and Sealants: Market and Applications Overview.....	1
Polyvinyl Acetate and Vinyl Acetate Ethylene Emulsion Polymerization Overview.....	23
Plasticizers.....	57
Waterborne Acrylic Polymers for Adhesives .....	145
Polyurethane Dispersions for Adhesive Applications .....	187
Anti-oxidants, Stabilizers and Biocides for Adhesives.....	231
Polychloroprene Dispersions .....	291
Surfactants, Defoamers and Rheology Modifiers in Waterborne Adhesives .....	319
Selecting the Appropriate Mixing Equipment for the Manufacture of Waterborne Adhesives.....	403
Liquid Adhesives: Application Equipment.....	441
End-use Applications in Construction .....	475
End-use Application: Packaging .....	525
Abbreviations.....	553
